PROGRAM

From the Director

Dear Parents, Friends, and Families,

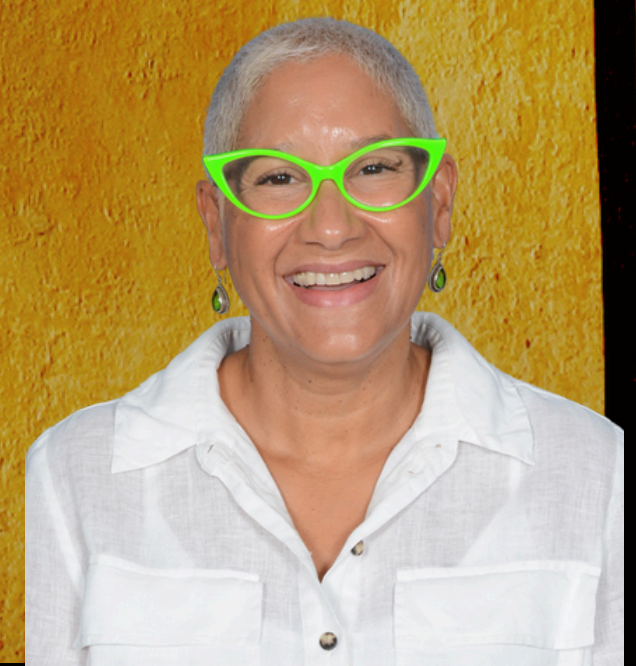

Welcome to our production of The Lion King Kids! This performance marks an exciting milestone for our talented Year 7 SPA cohort, as it is their very first musical. The cast has poured so much energy, heart, and enthusiasm into every aspect of this show, and I couldn't be prouder of their hard work and dedication.

From the moment we started rehearsals, these students embraced the vibrant world of The Lion King, not only learning their lines, songs, and choreography but also discovering the joy of teamwork and creativity that comes with live theater. This production has been a journey of discovery for them, and it's been incredible to watch them grow in confidence and take to the stage with such passion. A special thank you to Miss Moulin, our wonderful Musical Director, whose dedication and passion made a huge impact on our production before she had to take unexpected leave. Thank you as well to Ruby Piper, our incredible Year 10 SPA student and choreographer, who guided our students with creativity and care. We are also so grateful to the Year 9 SPA cohort, who stepped up to handle tech and crew roles, making everything run smoothly behind the scenes. And a heartfelt thank you to the entire Performing Arts teaching staff for their constant support and encouragement throughout this journey.

Thank you for joining us tonight to celebrate their hard work. Sit back, relax, and enjoy this magical adventure through the African savanna. I'm so proud of each of our young performers and thrilled to share their debut musical with you.

Hakuna Matata!
